DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This is a typical, three-bay farmhouse, with several additions at the time of the survey. However, a photo taken ca. 1880 shows the original state of the house—a three-bay, frame structure with clapboard siding and an open Victorian porch. The present structure has an enclosed front porch, and two-story additions to the south and northeast. The entire building is covered with stucco.

Nearby stands a large, frame bank barn on a fieldstone foundation.

All of these buildings were torn down in the spring of 1974.
